IN THIS EPISODE

The widow in Mark 12 gave the little she had because she deemed Him worthy.

In terms of time - what do you have? What can you give?

"Little is much if God is in it." (unknown)

Busy seasons can lead to expanding our view of devotional living (moving it beyond something we "have" and to a way we "live").

Whether we realize it or not, we commune with ourselves - or the Lord - all day long.
